Care:

We are thankful for the team of loving, caring, godly men and women ready to serve each summer! Fulltime H*VMI staff members plan and supervise all Handi*Camp programs. They have a variety of educational backgrounds and many years of experience working with people who have disabilities. Summer staff members go through an extensive application process, including background checks and training.

In order to provide quality care, the overall attendee to staff ratio is one-to-one. We are blessed to have an 85% return rate of campers from year to year.
